

Dear futsal friends;

It's a pleasure to greet you, and to wish you a warm welcome to Futsal Week!

I would like to share with you our code of conduct. It's important to follow these instructions:

- Behave and treat others in a respectful and responsible manner and not carry out any actions, whether verbally or physically, that threaten the health or well being of other participants.
- Represent your country and the sport of futsal in a positive manner.
- A competitive spirit is desired whilst at the same time promoting and reflecting positive values such as fairplay, inclusion, equality and respect.
- Adults, including club officials, will act in a manner that sets a positive role model for the participants.
- To abide by the competition rules set out by Futsal Week including ensuring that all players are eligible to participate and meet the age criterion.

This code of conduct applies throughout the event including whilst in sports venues, hotels and any other locations throughout the duration of the event. We are delighted to have you participating and confident you will behave in an appropriate way to ensure everyone has an enjoyable experience.
